*Jeremiah 29:11 – For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.*

Grace to you and peace through our Lord and Savior, Jesus Christ, who is the Author and Finisher of our Faith. Words cannot begin to describe the feeling that I have at this moment.

On behalf of the Pastoral Care Team, Executive Team, Church Council, Elders and Deacons, and the congregation of County Line First Baptist Church, we just wanted to extend to you our congratulations on your graduation from High School.

You have worked hard for 13 years to hear your name announced over the loudspeaker and walk on the stage and receive the diploma you have rightfully earned.

Yes, graduation is a great day in your life. But don't let it be the high point. In fact, if you live life well, you will forget almost everything that happens today, as a hundred other

great events in your life will crowd out these memories. So, savor the moment. It's fleeting.

Your life is still relatively an open book waiting to be written upon by the Master Author, Jesus Christ. I encourage you to place Him first in all you do, knowing that He will be a rewarder of those who diligently seek Him. The Bible gives us a very important word in Matthew 6:33 that you probably have heard time and time again: "But seek first his kingdom and his righteousness, and all these things will be given to you as well."

Here is what I'd like to convey to you: **1) Keep on growing. 2) Seek God's direction in everything. 3) Live in the Word.**

Remember to have fun in life. Laugh a lot. If you know Jesus Christ as Lord and Savior, your center is solid, and you are equipped for whatever life holds.

It has been a joy to have you as part of the County Line First Baptist Church, and we look forward to seeing God work in you to accomplish His plans for your life.

stay faithful,

*Pastor BW McClendon, Jr. BBA, MATS*
